

PLACER COUNTY CORDIALLY INVITES YOU TO
AN OPEN HOUSE
TO DISCUSS THE
KINGS BEACH COMMERCIAL CORE IMPROVEMENT PROJECT

Project Location: This project is located in Kings Beach, California, along State Route 28 between Highway 267 and Chipmunk Avenue. Project parking improvements and water quality improvements will also extend onto the adjacent streets.

Open House Focus: Local and state agencies and their representatives will be available to answer technical questions related to the environmental document currently open for public comment.

Project Purpose: The proposed project is to address bicycle and pedestrian circulation, preservation of scenery, and water quality needs within the Kings Beach Commercial Core area.

OPEN HOUSE TO BE HELD AT THE
NORTH TAHOE CONFERENCE CENTER
TIMBERLINE ROOM
8318 NORTH LAKE BOULEVARD
KINGS BEACH, CA 96143

This is YOUR OPPORTUNITY to ask questions and to get involved in an important project that will greatly benefit your neighborhood and protect Lake Tahoe's clarity.

What's Next: Placer County is working with the Sierra Business Council in holding a series of public workshops to help build community consensus towards a preferred project alternative to recommend to the Board of Supervisors, Tahoe Regional Planning Agency, and Caltrans. These workshops are scheduled on May 1, May 2 (Spanish), May 15, and May 29. A separate flyer will be distributed for these workshops.
